

Environmental Policy

Caswell Environmental Services Ltd. (the company) is committed to reducing the impact of its activities on the environment and assisting our customers by encouraging them to use sustainable resources.

To this end the company has implemented an environmental management system to continuously improve its environmental performance.

In order to meet this commitment the company will pursue the following objectives:

- To ensure compliance with all applicable environmental legislation and regulations
- To reduce emissions and prevent pollution
- To improve waste management practices
- To reduce consumption of natural resources
- To minimise noise and other nuisances
- To assist in the management of ecology
- To continuously assess its environmental performance
- To assist in the investigation of environmental incidents in which it is involved on operational sites
- To make its environmental information available to interested parties

The necessary personnel and financial resources will be allocated to assist the company in meeting its environmental objectives and targets that will be reviewed in September of each year. In addition the company will continue to raise the levels of environmental awareness throughout its work force and to promote this awareness to its customers and suppliers. The company is committed to operating its Environmental Management System in a manner that attains and sustains registration to the international Environmental Management Standard ISO 14001.
